

JOIN US IN GENERATING FACE-TO-FACE CONNECTIONS

The GenWell Project's mission is to get people connected face to face. We all know it's fun and it's good for you too, but sometimes we just need a little nudge to make it happen. So this September 20th-22nd, we're inviting you to jump off the treadmill, step away from the technology and get connected. Together we can make the world a happier and healthier place one face-to-face conversation at a time.
